FIDELITY

with Mike Benson

Wednesday Night Devotionals—I'm very impressed by the quality of Wednesday night devotionals. Several KW brethren are "stepping up" and are offering their insights and study from the Word. I was especially encouraged by the growth I saw recently in Buddy Overstreet. Great job,

brother! Your thoughts were organized, biblical, and applicable to life. This past Wednesday Jonathan Williams offered an acrostic lesson for our spiritual consumption. If memory serves, this was Jonathan's first teaching experience since putting on Christ last year. Brother, you did a super job! Keep marching!

Photo board—Please remember to visit the cry room either before or after AM worship and let Ron Montgomery snap a few pictures. We still have several KW families who need to be added to our family board.

Reminder to our Song Leaders—We need your help with the *Paperless Hymnal*, please. Make sure to check the "Privileged to Serve" sheet at the beginning of each month as well as our online church bulletin each Thursday to confirm when you are leading singing. If you will, make sure to contact me between Tuesday and Thursday to find out what lesson topic I'll be addressing at the next am worship. Then send your song numbers to Duane Richey **no later than Friday at 9:00 pm**. If you are unable to get the songs to Duane by Friday, you'll need to access the Paperless Hymnal at the student center and set up the PowerPoint songs yourself on Saturday. Please **then email them to me by 7:00 pm on Saturday** so that I can download them to the laptop for the following morning's assembly. Songs submitted after that time will not be able to be used for worship. Your assistance with this will help insure that our services run smoothly and are in order.

Preacher's Workshop—This coming Monday from 9:30a.m. until 11:30a.m. in the church library. Our schedule for the morning:

- Devotional: Jessie Pope
- Study: Mike Benson (Satan's Favorite Tool—Discouragement)
- Study 2: Stephen Carter

This is offered to ALL who enjoy studying, discussing, and applying the Word!

"God loves you and I love you and that's the way it's gonna be!" —Mike

Barnabas Tip

offered by Ken Upchurch

"Anytime you do something from the heart people just know it..."

Teaching Tips: "Do's For Bible Teaching"

1. Do use every minute of your class wisely.
2. Do teach children to think.
3. Do have children memorize Scripture. (Remember that all children do not memorize easily.)
4. Do make sure that everybody participates.
5. Do remember that your Bible teaching may be the only Bible teaching some children ever get.
6. Do always have more than enough to do in class.
7. Do make Bible study fun and interesting.
8. Do visit your students and get to know them personally.
9. Do have social events for your class.
10. Do remember each child's birthday.
11. Do let parents know what you are teaching.
12. Do teach a child to use his Bible.
13. Do have goals set for age groups. (See that they meet these goals.)
14. Do require respect from your students.
15. Do prepare your work with care because it is God's work.
