*"If a man has a soul, and he has, and if that soul can be won or lost for eternity, and it can, then the most important thing in the world is to bring a man to Jesus Christ."*

KENSINGTON WOODS CHURCH OF CHRIST, (601) 264-2945

## FIDELITY

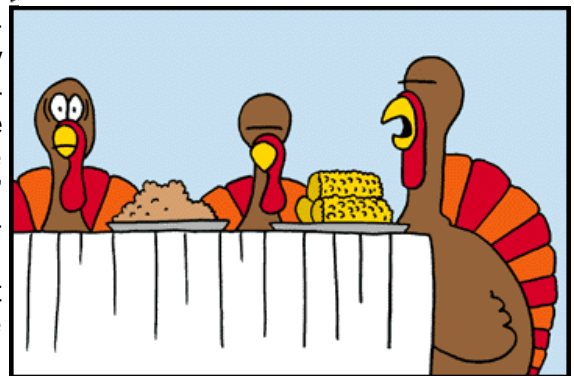

with Mike Benson

**REQUESTING PRAYERS**—Five precious souls have responded to heaven's invitation since last Lord's Day. **Angela Coy** said, "I have been so blessed with a wonderful Christian husband. I want to be bet-

ter at being the Christian wife he and my children need. Please pray for me." **Anita Hatten** requested prayers on her own behalf. Her family has fallen away and she's at a loss as to how to lead them back to the Lord and His church. She needs strength to continue on as well as wisdom in terms of what to do and say towards her loved ones. **Dixie Richey** wrote, "I want to re-commit my vows of marriage to Duane. I do not always submit the way I should. I have a good Christian man who loves me as Christ loves the church, and I am thankful for him." **Valerie Berch** commented, "I need prayers to put my priorities right to be the right kind of wife that God wants me to be. I also request prayers for strength as a mother to make the right kind of decisions God would have me make to be the kind of mother my children need." This past Wednesday evening Valerie's son, **David**, also came forward and confessed, "I have been going down the path of destruction for quite some time now. Many people have advised me to change my ways and I haven't listened. Over the last week I have made quite a few mistakes that have given me some costly consequences. Due to my mistakes, I am under a higher authority other than my parents. I have not been the good son I should be to them, instead I have only hurt them. I also have hurt Sean by leading by a bad example and dragging him down with me. I have not been the good son and brother I need

to be. I apologize to my family for hurting them the way I have along with anyone else I have hurt in the process." These are all very special members of the KW church family. Each of them has looked at their lives under the microscope of God's word and discovered weaknesses, sins, and faults that need to be corrected. I appreciate Angela, Anita, Dixie, Valerie, and David for their

WE GIVE THANKS FOR ALL THE BOUNTY THAT FARMER BOB HAS BLESSED US ALL WITH THESE PAST FEW MONTHS

courage, their example, their desire to be right with their loved ones and with the Lord. Pray specifically for each of these today.

"God loves you and I love you and that's the way it's gonna be!" —Mike
