"If a man has a soul, and he has, and if that soul can be won or lost for eternity, and it can, then the most important thing in the world is to bring a man to Jesus Christ."

EDUCATE

with Seth Sullivan

Upcoming Fall Quarter—In about two weeks the Fall Quarter will begin! I believe our summer classes went well, as well as our Summer Series! Hopefully, next week I will put on page two of the bulletin our teaching

schedule and adult lesson topics. If you haven't been a part of Bible class, then why not make a commit now to be prudent in attendance and grow in knowledge of our Lord? So many sacrifices are made to make education a priority at KW, so show your support to the teachers, elders, and God by being in Bible study!

Pre-tests & Post-tests—For all current teachers, it is almost time to administer your post-tests! I remember giving out my pre-test before our study of Jude in the auditorium began. Many were amazed at how much information comes out of the book of Jude. We will be taking that same test before the end of this quarter! For teachers, if your grade level administered a pre-test, please remember your post-test before the quarter ends.

New Incoming & Outgoing Teachers—My sincerest thanks go out to six of our teachers who have decided get involved in other areas of ministry. They dedicated many years to the program and I thank you so much for your long-time dedication! I would like to also express my appreciation to those teachers who have recently joined this past year to teach in the education program at KW! I appreciate their decision and am excited for their involvement. We have a total of 14 new teachers! If anyone would like to become a teacher, please let me know. Our goal is to continue to build up staffing so we can begin team-teaching in each classroom!

Educational Supervisors Meeting—For all our grade level supervisors, we will have a meeting on Sunday, August 23 at 4 p.m. in the library to discuss the upcoming Fall Quarter.
